"John & Maria's organising skills and attention to detail meant that nothing was left to chance and so this plus their friendliness and assistance, if needed, made this painting holiday a relaxing experience. All I had to do was enjoy the excellent food, wine and good company – oh, and of course the painting. Being an all inclusive holiday, this was very good value for money."

"Thank you so much for making the painting course into a very enjoyable holiday as well. I will certainly recommend you and Sardinia as the place to go and the people to go with to my friends."

"I feel having been taught by Anne (Lang) I would like to go on her courses in England. I feel more confident about starting a watercolour and the completion. For me it was the best of both worlds, plenty of painting and painting in beautiful surroundings."

"We really enjoyed our stay with you and want to thank you again for looking after us so well. Do keep us informed of next year's holidays. We certainly can and will recommend you to our Irish artist friends."

"Many thanks for all your hard work to make my week in Sardinia so enjoyable. I really had a great time, learnt a lot, gained a lot of confidence that I can become (with a lot more practice) a reasonable artist, and made some new friends who I hope to meet again on a future painting holiday. It really was a holiday that ended far too soon, so mille grazie once again."

"I was especially impressed by the way John and Maria organised and planned the holiday and their lovely, friendly approach and attention to every detail."

"The care and attention you and John had given to every detail was obvious. I really enjoyed the food as well - I think it was lovely to be eating traditional food prepared by obviously very good cooks."

"Thank you again for all the care and though that you put into making our holiday in Sardinia such an enjoyable one. Sue and I thoroughly enjoyed it and look forward to visiting you again."

"We got a superb taste of the real Sardinia and the group was great fun - we all got along really well, but I think that most of the credit must go to the pair of you for all your hard work and effort, which was non-stop for the whole week (and no doubt for some time before and after the week we saw!)"

Osborne Hotel, Malta

Experience the magic of **Valletta**, which has inspired artists for centuries. Situated in the heart of Malta's captivating capital city our base in Valletta is the comfortable *** **Osborne Hotel**. Housed in one of the magnificent palaces built by the knights of the order of St. John and only a stones' throw-away from Valletta's major museums, art treasures and the unique 16th century architecture.

The hotel still maintains its charm and class, typical of the period, but at the same time it is equipped with all modern comforts. All 59 rooms have been recently refurbished and are supplied with air conditioning, heating, satellite flat-screen TV, free wifi, frigo bar, tea & coffee making facilities and direct dial telephone.

Meals, including breakfast are served buffet style in the hotel restaurant which is located on the ground floor. At dinner guests can enjoy a variety of local and international cuisine accompanied by local wine. The Osborne has a rustic style bar with cosy atmosphere, where guests can relax and enjoy a drink.

Cornucopia Hotel, Gozo

Despite its small size, **Gozo** gives an immensely diverse prospect for the painter. Our hotel; the **** **Cornucopia Hotel** is located on the outskirts of the pretty Gozitan village of Xaghra, on a high ridge with views over the fertile Imrik valley over to Victoria and down to the sea at Marsalforn. The hotel has been attractively converted from a traditional farmhouse into a 48 room hotel.

With the bar and lounge area dating back over 300 years, the décor throughout the hotel is traditionally Gozitan from the limestone walls to the arched restaurant with a relaxed and peaceful atmosphere throughout. The Cornucopia makes a special feature of its grounds. Two freshwater swimming pools, a whirlpool and a childrens' pool are set among gardens and terraces. Accommodation at the Cornucopia is in rustic finished spacious air-conditioned / centrally heated rooms. Singles receive a twin room for sole use. All rooms have a balcony or terrace.

Meals are served in the stone vaulted ceiling restaurant. Breakfast is an enriched buffet, and dinner is a mouth-watering choice of Gozitan and Italian specialities.
